

Tennessee Physical Therapy Association Instructions for Abstract Submission Posters

Posters presented at a Tennessee Physical Therapy Association Conference should follow a format similar the American Physical Therapy Association. Posters may address one of the following:

1. Research Reports
 - Clinical trials
 - Diagnostic studies
 - Measurement-focused studies
 - Observational and prognostic studies
 - Qualitative studies
 - Systematic reviews/Meta-analyses
 - Single-subject design
2. Case Reports
 - Diagnosis/prognosis
 - Clinical measurement procedures
 - Intervention
 - Application of theory to practice
 - Risk management
 - Administrative/educational process
 - Traditional case report
3. Special Interest Projects

Abstracts should be 300-500 words and should contain the following information:

1. Title
2. Author's/authors' name(s)
3. Background
4. Objective/Purpose
5. Design
6. Methods
7. Results
8. Conclusions

Please submit 2 versions of the abstract. One version with the author's/authors' name(s) and one version without the author's/authors' name(s). Abstract should be submitted electronically to:
